ATTN: Teddi Ryland, President , Board of Trustees

Dear Ms. Ryland,

The Kittitas County Board of Commissioners is in receipt of your letter expressing concern about a potential facility being considered by PacifiClean Environmental.

We are aware that such a facility is being considered but, to date, there has been no formal application submitted for the facility. If one does come forward, the approval or denial of the application would be determined at a public hearing before the Kittitas County Board of Adjustment. The current Conditional Use Permit process does not include any direct participation by the BOCC. Any decision reached by the BOA would, if appealed, be heard in Superior Court.

If an application is submitted, public notice would be published in accordance with the statutory requirements of the Revised Code of Washington (RCW) for the public hearing to be conducted by the Board of Adjustment. There would be opportunity to submit written comments and to provide testimony at the public hearing.

Please feel free to call if you have any questions.

Sincerely,

Alan Crankovich, Chairman
