

MAILBOX FINAL REPORT

SUNLIGHT WATERS CC

MAILBOX INSTALLATION

A volunteer success story

This ambitious project was started on June 22 with a resumption of mail delivery targeted for June 27th. I am

Please be sure to thank your neighbors who made this project happen. They are Albert Huddleson, Jack Cushing and

his two grandsons, David Korpi and his grandson and Shane Williams. I am happy to report the project was completed

on time and on budget. The cooperation of the Cle Elum postmaster Justin Ucker was instrumental in making this transition as smooth as possible. Colene Tackett also did a huge amount in making this project a success. She was able to negotiate a \$2000 reduction in

happy to report because of all the volunteers we finished the installation June 25th 3 days ahead of schedule.

our best quoted price and we received free shipping as well. Colene and Jerry Ihrke have done a great job in distributing

the new box keys. If you do not have your keys yet see Colene at the office Tuesday-Thursday 12-3 or mail a check for

\$75.00 and she can mail them to you. It is very reassuring to know we are no longer the largest mail theft target in the county and packages can now be delivered. A failing eyesore is gone with a great permanent solution in place. Thanks to all for your support and help.

VOLUNTEERING

Taking on this project was important to me as I felt this really needed to be done for safety, security and aesthetics. Look around your neighborhood are there things you could do to visually improve the look of your property? Sunlight Waters will be providing a large dumpster on July 31st – August 27th to get rid of unsightly items. If your lot needs mowing please do so to help reduce our fire danger. Let's keep making progress to make Sunlight Waters nicer for all that live or play here. Any project ideas please let me know, thanks.

Mike Quiett ~ Trustee
