Since the season for using the Community Pool has arrived, it was felt that it was important for all Community Members to review the Rules for Community Pool Use. These Rules are printed in large letters on a sign on the side of the pool and those Rules will be restated here along with explanations as needed.

## **NO Street shoes in pool**

## **NO jeans or cut-offs**

(The above two rules are to protect the pool)

## **NO drinking or eating in the pool area**

(This means absolutely no liquids or food within the fenced area. If you need something to drink or eat, step out of the pool area for a few minutes and then return. Of special concerns is alcohol in this area. Drinking and swimming don't mix nor does drinking and life guarding children).

## **NO running or shoving**

## **NO throwing of hard objects**

## **NO diving**

(The above three rules are for your own safety and protection, as well as that of others).

## **NO smoking**

(State Law reads, "No smoking within 25 feet of a public entrance" Again if you feel you need to smoke, please step outside the fenced area of the pool and return when done).

### **Pool Hours and Conditions to be Open:**

Open about 10:00 a.m. and closes at dusk. Opening depends on availability of Pool Volunteers.

Pool is closed on Mondays.

Pool is only open if it is at least 70 degrees out and if the wind is less than 10 miles per hours.
